Title: **Stakeholder registration with AQIS**

Update No.: **02 of 11**

Date of Issue: **8 February 2011**

Distribution

- GTA Members – primary contact list. Please circulate to all appropriate internal parties

1. Purpose of this notice

To advise members how to register with AQIS Plant Export Operations (Grains and Horticulture). Currently, due to privacy restrictions, AQIS can only send out information to organisations registered with EXDOC.

2. Details

Organisations interested in receiving communications direct from the AQIS Grain Export secretariat are encouraged to register their details using the attached form so they can receive announcements and updates which may include Industry Advice Notices and Export Operational Notices on issues concerning the export of Grains and Plant Products.

By subscribing to the Stakeholder Register you will be kept informed of the progress of Plant Export notifications and information for specific commodities. Stakeholders can identify their commodity interests specifically, such as grains, seed for sowing, etc or identify their commodity interests generally, such as Grain Exports or Horticulture Exports.

To register to become a Stakeholder, open and fill out the attached form, and submit by clicking on the button in the top right hand corner or by completing the form and email to grain.export@aqis.gov.au
