TOPIC: Call for Industry Feedback – DRAFT Brokers and Agents Technical Guideline Document

DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.

1. Background

This Technical Guideline Document (TGD) refers to industry best practice for organisations operating as Broker or Agent in the Australian Grain Industry. The objective of this document is to maintain and improve ethical behaviour of Australian grain Broker and Agent professions and their conduct by removing ambiguity between the roles and functions of Brokers and Agents. This TGD is administered by GTA and has been developed in consultation with stakeholders.

2. New Technical Guideline Documents

The GTA Commerce Committee are calling for industry feedback on the DRAFT Technical Guideline document **Operating Standards for Brokers and Agents** prior to release to industry.

The existing DRAFT Technical Guideline Document is available from the GTA website - [click here](#)

3. Process of Submission

Submission must be in writing and received by GTA no later than Monday 13th March 2017
