[The current GTA Location Differentials](#) can be found on the website.

2. Nominations - New Site Location Differential Allocations or Removal

The GTA Commerce Committee is calling for nominations for any new grain storage facilities requiring a GTA LD value for the 2018/19 season. Likewise, nominations for the removal of a GTA LD from the schedule for the coming season are also invited. All additions, and amendments can be requested using the [GTA LD Nomination Form](#).

GTA advises storage owners, operators to nominate any required changes to existing, or new grain storage and handling site's GTA LD in the first submissions. Nominations will close at the end of May 2018 for the 2018/19 GTA LD list.

3. Submissions - Issues with current Location Differentials

The GTA Commerce Committee is also calling for GTA Members to submit any issues in relation to the current 2017/2018 GTA LD.
