

# Member Update

UPDATE 22 of 17 • 6<sup>th</sup> October 2017

TOPIC: GTA Location Differentials 2017/18 – SA Consultation

DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.

## **Consultation for 2017/18 SA Location Differentials**

### 1. Background

GTA publishes the LDs for the storage locations of our members in QLD, NSW, VIC, SA and WA annually to enable participants using the GTA Contract No. 2 Grain and Oilseeds in Bulk – Basis Track to price grain at up-country sites.

GTA LDs are generated for QLD, NSW and VIC and have been published for 2017/18 season.

The Industry has agreed to use Viterra and CBH Group published **freight rates** for South Australia and Western Australia each year, subject to approval by the GTA Commerce Committee.

The GTA Commerce Committee has received LD information for SA for the 2017/18 season. The Commerce Committee has decided to provide opportunity for Member Submission on SA LDs as proposed in the **attached tables below**. Given that harvest has commenced the Committee agreed a short submission period of no more than one week is appropriate.

Should no submissions be received the Commerce Committee will endorse the proposed SA LDs as attached for approval by the GTA Board.

NB: Data for Location Differentials for WA is still to be provided. Once provided and reviewed by the Commerce Committee, it shall decide if Member Consultation process is warranted.

### 2. Location Differentials & Amendments for SA

- As per the Board approved SOP for Location Differentials (LDs), LDs for SA are based off the Viterra Export Select Rates. The rates for 17/18 have been provided to GTA and subsequently to the Commerce Committee for analysis and review.
- For non-Viterra sites, GTA has consulted with site owners to submit recommended LDs for the respective sites.
- Where a site exists in a town with a Viterra site, all sites in that town will be allocated the Viterra LD, in accordance with the Standard Operating Procedure.
- For Viterra sites located outside of SA, the East Coast LD policy of 10c/Google Map Km has been applied.
- For LDs from Viterra sites to a non-SA (Viterra) Port such as Portland or Geelong, the East Coast LD policy of 10c / Google Map Km has been applied.
- Points to note include:
  - For AWB Maitland, LDs have been adjusted in line with changes from Viterra – Ardrossan.
  - Viterra - Brinkworth has been added as a new site
  - Viterra - Francis – LD to Portland has been calculated as per policy of 10c/Google Km.
  - Viterra – Millicent – LD to Portland has been calculated as per policy of 10c/Google Km.

- AWB – Pinnaroo – LD to Geelong and Melbourne has been calculated as per policy of 10c/Google Km.
- Temlett - Sheok Log – LD to Outer Harbour has applied as provided by Site Operator
- Viterra – Tintinara has been added as a new site.

The current GTA Location Differentials can be found via [http://www.graintrade.org.au/location\\_differential\\_tables](http://www.graintrade.org.au/location_differential_tables)

### **3 Submissions – Due 13<sup>th</sup> October 2017**

All industry feedback on the above issues must be received by **Friday October 13th 2017** and be forwarded to [submissions@graintrade.org.au](mailto:submissions@graintrade.org.au)

All other submissions are to be presented on the [GTA Technical Committee Submission Form](#).

**Proposed GTA Location Differentials 2017/2018 - SA Effective TBA.  
SA LDs based on Viterra Export Select values \***
