**Re: Minimum Order 2016**

Dear Mr Clark

Grain Trade Australia (GTA) on behalf of our members would like to offer you this letter of support for your recent submission to the Road Safety Remuneration Tribunal, requesting a delay to the implementation date of above mentioned Order until 1 January 2017.

GTA members are responsible for over 95% of all grain storage and freight movements made each year in Australia. GTA members are drawn from all sectors of the grain value chain from production to domestic end users and exporters. A full list of our members can be found attached.

We support your submission that a delay is essential for our members to interpret, understand and comply with the Order. Our members have expressed concern that parts of the Order are ambiguous, not adequately defined and do not provide sufficient guidelines or certainty as to the requirements to comply, directly reflecting the concerns raised by your members and included in your submission.

The consequence of these concerns is that despite best intentions, our members would be unable to comply within the timeframe available.

We wish you the best with hearing and consideration of your submission and look forward to hearing the outcome.

Kind regards,

Mr Geoff Honey  
Chief Executive Officer
