INCORPORATION OF GTA TRADE & DISPUTE RESOLUTION RULES:

This contract expressly incorporates the GTA Trade Rules in force at the time of this contract and the Dispute Resolution Rules in force at the commencement of the arbitration, under which any dispute, controversy or claim arising out of, relating to or in connection with this contract, including any question regarding its existence, validity or termination, shall be resolved by arbitration.

Definitions

Parties need to be aware of the distinction between an Agent and a Broker as defined in the GTA Trade Rules.

Agent means a person who is not a Broker and who is authorised to act on behalf of a Principal.

Broker means an independent person, firm or electronic trading platform engaged or used by others, at least partially on a commission basis, to facilitate contracts under instructions from Buyers and Sellers, relative to goods to which it does not have actual or constructive possession.
