AGIC Asia 2025 - now an integral part of the global calendar - will be held in:

- Bangkok, Thailand - 4 March 2025
- Shanghai, China - 6 March 2025

AGIC Asia 2025 events will build on the success of the previous conferences held in Asia as well as being available virtually and will address multiple issues including:

- crop quality
- quality assurance process in the supply chain
- improving utilisation and processing efficiency of Australian grain
- trade policy
- market access issues

Keynote speakers, technical experts and decision makers from Australia, Thailand and China will feature throughout the program, including Australian Ambassadors to these countries.
