Section 1: General

Article 1: Purpose and Description

1. Through its Dispute Resolution Process (“Process”), Grain Trade Australia Ltd (GTA) works to avoid litigation and reduce friction among GTA Members and other industry participants by encouraging dispute resolution through peer review. The Process will be conducted in a manner that promotes the saving of time and expense while providing an efficient, fair and equitable means to settle disputes related to commercial transactions.
2. These GTA Dispute Resolution Rules (“Rules”) shall govern the resolution of any disputes falling within the jurisdiction of the GTA Process.
3. The Process consists of Expert Determination, Fast Track Arbitration and Full Arbitration. Each Process is governed by a particular section of these Rules (Sections 2 and 3). Sections 1 and 4 apply to each Process.
4. Based on the nature of the dispute the Party(s) shall determine the appropriate Process. GTA is available to discuss the various alternatives with a Party prior to commencing a Process.
5. Each reference shall be administered by GTA through its Chief Executive Officer (“CEO”) or nominee (hereafter collectively referred to as “GTA”).
6. Each Tribunal may be supported by a professional Secretariat (appointed by GTA on behalf of the Tribunal) who may provide private and confidential assistance and advice to the Tribunal on administrative matters including preparation of directions and award.

Article 2: Jurisdiction

1. GTA has jurisdiction through the incorporation of the GTA Trade Rules or these Dispute Resolution Rules into a contract, by separate agreement of the Parties.
2. A Member or Non-Member, who incorporates the GTA Trade Rules or these Rules into its contract or agreement, agrees to resolve any disputes arising out of the inception, negotiation, formation, performance or any other aspect of the contract or contractual relationship, pursuant to these Rules.
3. Members and Non-Members incorporating these Rules agree not to apply to any Court unless the dispute has been finalised pursuant to these Rules or the dispute falls outside the scope of these Rules.

Article 3: Commencing a Process

1. A Request must be lodged with GTA and the filing fee paid by the Claimant, on or before twelve (12) months after the expiration date for performance of the contract(s) otherwise any claim is deemed to be waived and absolutely barred unless a GTA Arbitration Tribunal extends the time for commencing arbitration.
2. A Party wishing to commence a Process under these Rules (“the Claimant”) shall send to GTA (with copy to the other party(s) to the dispute) a written Request containing or accompanied by the following:
 - a. The type of Process requested;
 - b. The names, addresses (postal and email), telephone numbers (if known) of the Parties to the dispute and of their legal representatives (if known);
 - c. A brief statement describing the nature and circumstances of the dispute and specifying the claims advanced by the Claimant against another Party to the dispute (“the Respondent”), including the amount involved;
 - d. A copy of the contractual documentation which demonstrates the incorporation of the GTA Trade Rules or Dispute Resolution Rules;
 - e. Any agreement between the Parties or proposal regarding the procedure for Arbitration or other Process;
3. Unless otherwise stated in these Rules, the date of receipt by GTA of the Filing Fees shall for all purposes be the date on which the Process has commenced.
4. Following receipt of the Request, GTA will issue a Notice of Dispute, a tax invoice for both the Administration and Process Fee and a list of the GTA Approved Arbitrators to the Parties from which the Parties must nominate an Arbitrator (as appropriate).
5. Following receipt of the relevant fees and a signed Contract for Arbitration from:
 - a. both Parties in the case of a Voluntary Fast Track Arbitration; or
 - b. the Claimant (in the case of a Full or Mandatory Fast Track Arbitration)GTA will administer the Process pursuant to the Rules of the relevant Process.
- 5a. GTA reserves the right not to progress a Process where a party is in default of payment of any fees due to GTA, including payment of fees for the current or any other reference. The Respondent shall submit a Response as requested by GTA and provide any information not provided in the Request under Article 3.2.
6. Failure to send a Response to the Request shall not preclude the Respondent from denying any claim or from advancing any counter-claim in the Dispute. However, should the Claimant wish to continue to pursue dispute resolution, the Claimant may continue with the Process or elect an alternate Process, as appropriate.

Article 4: Dispute Resolution Fees

1. The fees payable by each Party shall be determined by GTA from time to time and published in Schedule 1. These fees are subject to change and review by the GTA Board of Directors, at its discretion. Any amendments will be published in Schedule 1 to these Rules.
2. Each Party is to pay the Administration Fee specified for the administration of the Process. This fee is non-refundable and payable on invoice.
3. Each Party is to pay the relevant Process Fee published in Schedule 1. This fee is payable upon notification by GTA.
4. If the Parties commence more than one Process, for whatever reason, separate Administration and Process Fees are payable for each Process.
5. Where the Claimant has not paid the Administration Fee within twelve (12) months of invoice, GTA will consider the Process as abandoned and close its file.
6. In administering a Process, GTA may incur expenses including but not limited to administration, travel, communication, room hire, legal fees, support services and other expenses which will be invoiced to the Parties at GTA's discretion and at cost to be borne by the Parties jointly and severally.

GTA or a GTA Arbitration Tribunal may at its discretion seek such legal advice or assistance as it requires in the administration of a Process generally or in respect of legal issues arising in relation to any Process and the costs of the legal advice will be borne equally by the Parties and may be the subject of an Award.
8. The Parties are jointly and severally liable to GTA for the fees and costs of the Process chosen (other than the legal or other costs incurred by the Parties themselves). Any fees and costs owed to GTA which remain unpaid may be included in a published Award as fees payable to GTA as if GTA was a Party to the Award.
9. An Award or opinion may be withheld and the administration of any Process is suspended until any outstanding amounts payable to GTA (including, without limitation, Administration, Process and/or legal fees) are paid.

2. The Claimant is responsible for procuring the agreement of all the intermediate Parties in the “String”.
3. If requested by a Party, Party(s) in a String must submit documents requested of them in an expeditious manner. In such circumstances, a Party may seek directions from the Tribunal to secure these documents.
4. An Award shall be binding on all Parties in the “String” and may be enforced by an intermediate Party against their immediate contracting Party as though a separate Award had been made.

Article 22: Consolidation

1. The Tribunal has the power to consolidate Arbitrations.
2. If the Tribunal consolidates the Arbitrations each Party shall pay the appropriate Administration Fee. The Process Fee shall be payable only by the ultimate Claimant and Respondent unless, for whatever reason, the intermediate Parties are actively involved in the Arbitration. If this occurs, the liability to pay the Arbitration Fee shall be at GTA’s discretion.
3. GTA will provide information exchanged as part of the Arbitration (including submissions and administration) to all Parties in the consolidated Arbitration, whether they are an active Party or not.

Article 23: Lapse of Claim

1. If neither Party submits any documentary evidence or submissions or pays any fees, in accordance with a GTA request or the timetable above, then the Claimant's Request shall be deemed to have lapsed on the expiry of the said period unless fees are paid, renewed by a notice served by either Party or by the lodgement of documentary evidence.

If the Parties cannot reach agreement on an extension of time, they may apply to The Chair of the Tribunal in writing to extend the time limit upon application by the Party, where good cause is shown, for no longer than twenty-one (21) days. Any extension must be granted in writing and a copy sent to all Parties.
2. Where a Claimant is in default the Tribunal may issue an order for the termination of the Arbitration. Where the Respondent is in default the Tribunal may proceed to issue its Award.
3. If one of the Parties, duly notified under these Rules, fails to appear at an oral hearing without showing good cause for such failure, the Tribunal may proceed with the Arbitration.
4. If one of the Parties, duly invited to produce documentary evidence, fails to do so within the relevant time, without showing good cause for such failure, the Tribunal may proceed to issue its Award based on the evidence before it.

Article 25: Jurisdiction of Arbitration Tribunal

1. The jurisdiction of the Tribunal shall include the power to rule on its own jurisdiction, the validity and construction of the Arbitration Agreement, including any objection to the initial or continuing validity or effectiveness of the Arbitration Agreement, whether the Tribunal is properly constituted and what matters have been submitted to Arbitration in accordance with the Arbitration Agreement.
2. A challenge to the jurisdiction of the Tribunal shall be deemed irrevocably waived unless it is raised no later than the submission of the Points of Defence. A plea that the Tribunal is exceeding its scope of authority shall be raised promptly after the Tribunal has indicated its intention to decide on the matter alleged by any Party to be beyond the scope of authority, failing which such challenge shall also be deemed to be waived irrevocably. The Tribunal may nevertheless admit an untimely plea if it considers the delay justified in the particular circumstances.
3. On application by a Party, or if considered appropriate by the Tribunal, any dispute as to jurisdiction will be determined as a preliminary matter.
4. In the event that the Tribunal determines it has no jurisdiction, GTA will notify the Parties of the Tribunal's decision. Such a decision will be final and binding upon the Parties subject to any right of appeal to the Courts.

Article 26: Power of Arbitration Tribunal

1. Unless the Parties at any time agree otherwise in writing, the Tribunal shall have the power to do anything, on the application of any Party or of its own motion, but in either case only after giving the Parties a reasonable opportunity to state their views, including:

- g. To order the rectification of any contract between the Parties or the Arbitration Agreement, but only to the extent required to rectify any mistake which the Tribunal determines to be common to the Parties and then only if and to the extent to which the law(s) or rules of law applicable to the contract or Arbitration Agreement permit such rectification;
 - h. To allow, only upon the application of a Party, one or more third persons to be joined to the Arbitration as a Party provided any such third person and the applicant Party have consented thereto in writing and thereafter to make a single final Award, or separate Awards, in respect of all Parties so joined in the Arbitration;

2. GTA shall administer any hearing and set the date, time and physical location of any meetings and hearings and shall give the Parties at least twenty-one (21) days' notice thereof. Neither Party shall seek to postpone the hearing longer than ten (10) days after the set date, unless good cause is shown to the Tribunal. A request for postponement shall be made at least five (5) business days prior of the hearing date.
3. Subject to Article 33 only the Parties and witnesses shall be permitted to attend the hearing.
4. Each Arbitrator shall be paid a sitting fee for each day or part thereof of the hearing, to be paid by the Party(s) requesting the oral hearing. The sitting fee shall be at GTA's discretion and GTA shall notify the Parties of the amount of the sitting fee in accordance with Article 28.2.
5. The Tribunal, GTA management and GTA's legal counsel, if required to attend by the Tribunal or GTA, shall receive the amount of their actual travelling, accommodation expenses and legal fees when attending meetings to consider the dispute or hearings where appropriate.
6. All meetings and hearings shall be in private unless the Parties agree otherwise in writing or the Tribunal otherwise directs.
7. The Tribunal shall have full authority to establish time limits for submissions, meetings and hearings.
8. Oral submissions shall be confined to facts and evidence previously submitted by each Party.
9. The requesting Party/s shall pay the amount necessary to cover the additional expenses of GTA and the Tribunal for the hearing. GTA shall estimate the expenses and notify the requesting Party within five (5) business days of the request for hearing. If both Parties request a hearing, the additional costs shall be borne equally by the Parties. The estimated amount of hearing expenses shall be paid to GTA no later than thirty (30) days before the hearing. Failure to pay the expenses may be grounds for denying the request for hearing or rendering the non-complying Party in default. Following the hearing, GTA shall determine the actual hearing expenses and shall invoice or rebate the difference as it considers appropriate.
10. GTA shall arrange for a transcript recording to be made of the hearing. The Party/s requesting the hearing shall bear the cost of the transcript.

Article 29: Witnesses

1. Before any hearing, the Tribunal may require any Party to give notice of the identity of each witness that Party intends to call as well as the subject matter of that witness's testimony, its content and its relevance to the issues in Arbitration.
2. The Tribunal may also determine the time manner and form in which such materials should be exchanged between the Parties and presented to the Tribunal. The Tribunal has a discretion to allow, refuse or limit the appearance of witnesses (whether a witness of fact or expert witness).
3. Subject to any order otherwise by the Tribunal, the testimony of a witness may be presented by a Party in written form, either as a signed statement or sworn affidavit.
4. Subject to the above, any Party may request that a witness, on whose testimony a Party seeks to rely, should attend for oral questioning at a hearing before the Tribunal. If the Tribunal orders that other Party to produce the witness and the witness fails to attend the oral hearing without good cause, the Tribunal may place such weight on the written testimony (or exclude the same altogether) as it considers appropriate in the circumstances.
