

GTA TRAINING AND DEVELOPMENT PROGRAM

DISPUTE RESOLUTION SERVICE & ARBITRATION

GTA Courses are offered to GTA Members and non-Members and targeted at all levels of industry experience

Presenter: Lloyd George

Lloyd has **over 30 years experience** in the grain industry spending 17 of those years with Cargill Australia in a range of commercial and management roles.

He is a **well recognised public commentator** on grain markets and writes a weekly marketing article that is syndicated to rural papers nationally.

Lloyd has a Diploma of Farm Management from Orange Agricultural College and a Professional Certificate in Arbitration from the University of Adelaide.

Lloyd manages his own grain marketing consultancy business with clients throughout the grain industry.

Australian industry perspectives

Designed specifically for Australian industry

Local knowledge/global perspective

This is a one day workshop designed for those who would like **a greater understanding of the GTA dispute resolution mechanisms and processes.**

It is suitable for traders and all levels of management, especially retained legal staff.

The workshop provides an appreciation and **understanding of the role of arbitration**, the process and the legislative framework along with the processes that should be followed at the commencement of and duration of arbitration. Topics covered include:

- Overview of the GTA DRS and the current Commercial Arbitration Act
- GTA Dispute Resolution Service
- Commencing and Conducting an Arbitration
- GTA Arbitrators—their appointment, role and responsibilities
- Common Issues faced by Arbitrators
- Arbitration Awards

Opportunity to network

Delivered by experienced industry experts
