Background

The Transport Storage and Handling Committee have approved the inclusion of Taragoro SA to the GTA Location Differentials, and a minor amendment to Frances South Australia LD.

Inclusion of Taragoro in the SA Location Differentials

A submission had been put forward to GTA by EP Storage prior to the setting of the LDs on the 5 October 2010 and the submission was inadvertently omitted.

The Transport Storage and Handling Committee has since reviewed and accepted the request by EP Storage to have Taragoro included in the GTA Location Differentials. See table below.

| LOCATION | STATE | PORT | NTP | BHC | MODE | 2010 LD |
|----------|-------|--------------|--------------|------------|------|---------|
| Taragoro | SA | PORT LINCOLN | PORT LINCOLN | EP Storage | ROAD | 10.70 |
