1. Issue

Amendments to CSP-9 AMA Machine Dressed Mungbeans.

2. Background

The Australian Mungbean Association and Pulse Australia have endorsed and implemented amendments to CSP-9 AMA Machine Dressed Mungbeans. These amendments were provided to GTA and become effective from 14 February 2013. All contracts dated prior to 14 February 2013 (unless otherwise stated in the contract) should abide by CSP-9 AMA Minimum Export Standards for Mungbeans as published by GTA on 1 August 2012.

The new Mungbean standards are available on the GTA website
