1. Update

Section 3 Sorghum of the 'GTA Visual Recognition Standards Guide' is now available for order on the GTA website.

2. Background

Through the Combined effort of GrainCorp, Viterro, CBH, Cargill the GTA Standards Committee, GTA has developed Section 3 Sorghum, of the 'GTA Visual Recognition Standards Guide'.

Section 3 Sorghum has been developed to complement the existing Sections 'Wheat and Barley', of the 'GTA Visual Recognition Standards Guide'.

The Visual Guide will be printed on water resistant, fade resistant Matt Cello finish and will be accompanied by a new table of content to be included with your existing 'GTA Visual Reference Standards Guide'.

If you have not ordered the Wheat and Barley Sections, GTA now have available the latest complete set including Sorghum for order on the website.
