Title: Review of GTA Location Differentials for 2014/2015 (3rd Round)
Update No.: 15 of 14
Date of Issue: Friday 27 June 2014

1 Issue

GTA is calling for a third round of industry submissions and site nominations in relation to the 2014/2015 Location Differentials (LD's).

2 Background

GTA has previously called for industry submissions for the 2014/15 Location Differentials as Member Updates 5 of 14 and 8 of 14. Submissions were sought regarding:

- Nominations for New Site LD allocations or removal of existing sites
- Issues with the current Location Differentials

All submissions received were considered by the Commerce Committee in April and June. Proposed amendments from both rounds of submissions can be seen attached.

The most significant changes will be to the GrainCorp sites following the recent announcement of their Project Regeneration, which will see a consolidation of their sites throughout QLD, NSW, VIC and SA. GTA want to ensure that Members were aware of these amendments prior to the LDs being finalised for 2014/15.

3 New Submissions

GTA therefore now extends a third and final invitation to Members to submit LD nominations or submissions.

Once all submissions are received the Commerce Committee will develop a final draft and seek GTA Board approval. The LD's will be available from the GTA website following the August Board meeting and will become effective on the 1 October 2014.

4 Submissions and Site Nominations

All submissions and site nominations should be received by GTA (admin@graintrade.org.au) no later than the COB **Wednesday 16 July 2014**. The Site Nomination Form is attached.

All other submission should to be presented on the GTA Technical Committee submission form <http://www.graintrade.org.au/committees>
