New GTA Grower Contract is released – GTA Contract No.6

1. Purpose

- a) To advise Members that the GTA Board has approved the GTA Contract No.6 – Grower Contract for publication to industry.
- b) [The GTA Contract No.6 – Grower Contract](#) is now published on the GTA Website and is effective from the next Business Day after the date of this Member Update.

2. Background

- The issue of need for a separate GTA Standard Form Contract for Growers has been discussed and analysed over several years. Two Commerce Sub-Committees have considered the issue and called for submissions from Industry ([refer Member update 3/16](#)).
- The GTA Contract No.6 – Grower Contract has been developed over time with involvement from the Commerce Committee and several rounds of industry consultation via GTA Member Updates and submission processes. Industry submissions raised concerns around amendments to the GTA Contract No.3 and it was decided that potential changes to the No.3 Contract may impact facilitation of “trade to trade” markets and contracting.
- Therefore, the GTA Board has approved a separate Standard Form Contract – the GTA Contract No. 6 – Grower Contract.
- It should be noted, GTA Standard Form Contracts are made available for Members to use, and that GTA Members may use them within their own businesses, and as appropriate for their particular circumstances.
- *Members are advised they should clearly state which specific GTA Standard Form Contract is being referred to in documents such as Broker Notes, or their own particular Contract Terms and Conditions.*

3. New Contract

- The Grower Contract is based on the current GTA No.3 Contract.
- The Key Issues and/or changes (from the current GTA No.3 Contract) in the approved GTA Grower Contract are summarised below:

<i>Issue</i>	<i>Key Difference to No.3 Contract</i>
Payment terms	Default changed to 14 Days End of Week of Delivery (from 30 days EOW).
RCTI	Seller will have to Opt Out of Buyer providing RCTI (vs current of Opt In).

<i>Issue</i>	<i>Key Difference to No.3 Contract</i>
Retention of Title Clause & PPSR	No change to current clause in No.3 Contract.
Carry	New clause included, for default to be for Storage to be paid if execution outside of grain delivery period, subject to Trade Rule 17 (Default)
Interest in Standard T&Cs	Remove sentence around “if no due date” as said to be ambiguous as all contracts should have an end /due date, due to default payment terms.
Chain of responsibility	No Change
