TOPIC: China Anti-Dumping Update – Administrative Review

DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.

1. Purpose

The purpose of this Member Update is to update Members on the China Barley Ant-Dumping Investigation.

2. Information

- *The Australian barley industry has received a response from the Ministry of Commerce of People's Republic of China (MOFCOM) regarding the application for Administrative Reconsideration of the anti-dumping and countervailing tariffs applied to Australian barley in May 2020.*
- *Unfortunately, the application has been unsuccessful. The industry will continue to work with the Australian Government on this issue.*
