Title: **Amendments to South Australian GTA Location Differentials**

Update No.: **34 of 11**

Date of Issue: **10 November 2011**

1.0 Background

Member Update 33 of 11 Amendments to South Australian GTA Location Differentials was incorrect.

The Update should have read:

- The GTA LD for Parilla was 36.35 and is now 31.25;
- The GTA LD for Paringa was 31.25 and is now 36.35.

The amendment to the GTA website was correct, only the update that was misleading.
