TOPIC: GIAV Annual Lunch and AGM - Sept 6

2019 GIAV Annual Lunch September 6

Victoria's grain industry networking event of the year, the GIAV Annual Lunch and AGM, will be held at Harbour Room, 2 Pier Road St Kilda from 10 am to 3 pm on Friday September 6.

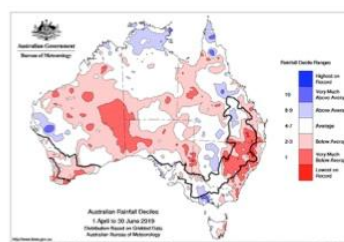

Our morning meeting will provide crop outlook discussion from our expert panel and include east coast grain demand and possible supply options given the critically low production.

Venue - Located upstairs at the Royal Melbourne Yacht Squadron, with panoramic views of St Kilda beach and pier and distinct period character, Harbour Room will be our venue for the GIAV Annual Lunch this year.

Production Outlook - In the morning a group of respected panellists will provide a region-by-region review of grain, pulse and oilseed production outlook. Once again the grain production in eastern Australia will be heavily weighted to our south-eastern corner of Australia.

AGM At 10 am on Friday September 6, the GIAV will be conducting its Annual General Meeting at Harbour Room, 2 Pier Road St Kilda. A link to the nomination form is below for members wishing to nominate for the committee.

Sponsors of our 2017 lunch will be the NAB and members will gain an update on currency trends and the economy.
