TOPIC: ETG Commodities Pty Ltd – Winds Up Australian Grain & Oilseed Business

DISTRIBUTION: GTA Members – primary contact list. Please circulate to all appropriate internal parties.

1. Purpose

To advise members that, following a recent review of operations in the Asia Pacific region, ETG Commodities Pty Ltd has decided to wind up its Australian grain and oilseed business in an orderly and disciplined manner over the next six months. ETG advise that all contractual and financial obligations of ETG Commodities Pty Ltd will be honoured throughout this process.

2. Further Details

Their decision **does not** impact ETG's pulse businesses in Australia. Export Trading Group Australia Pty Ltd and ETG Processing Pty Ltd T/as Wimpak will continue operating as normal.

ETG is committed to ensuring a smooth and systematic exit from the Australian market.
