SPONSORSHIP PROSPECTUS

MEETING MARKET REQUIREMENTS

BROUGHT TO YOU BY THE NATIONAL WORKING PARTY ON GRAIN PROTECTION

17 - 18 JUNE 2026

SOFITEL MELBOURNE ON COLLINS, VIC

ABOUT

NWPGP

The NWPGP 2026 Australian Grain Storage and Protection Conference is an open forum for the entire grains industry to review and discuss the latest market requirements relating to chemical regulations and developments in grain storage and protection.

Presenters will cover national and international regulations, along with a range of topics including:

- Market requirements
- Insect infestation/entomology
- Pesticide residue requirements/violations
- Grain protectants
- Fumigants
- Physical control methods
- Application technology
- Extension
- Other key research outcomes.

The **NWPGP** has been meeting annually for over 50 years. The annual conference, delegate list and industry representation continues to expand and evolve – constantly striving to meet the industry's needs.

The 2026 Conference will take place face-to-face in Melbourne at the Sofitel Melbourne on Collins.

ORGANISING BODIES

NWPGP

The National Working Party on Grain Protection (NWPGP) is the body responsible for providing management and leadership to industry in the areas of grain storage, chemical use, market requirements and chemical regulations.

The Conference is proudly supported and organised by **Grain Trade Australia (GTA)**. GTA supplies standardised grain trading standards, trade rules, grain contracts and training and development for the Australian grain industry to enable the efficient facilitation of trade across the grain supply chain.

DELEGATE PROFILE

A wide spectrum of the industry is represented at the conference with over 200 delegates in attendance in the past year. The conference now enjoys significant support from all sectors of the industry from growers, storage operators, end users, traders, research, product and chemical manufacturers and service providers such as fumigators and transport operators. This conference is also widely supported by the government.

The program and topics are being expanded in line with this development and in direct response to survey feedback received from previous conference attendees.

The delegate survey from the previous conference highlighted:

- ▶ 100% of delegates would attend future events
- ▶ 98% thought the conference was good value for money
- ▶ 94% thought the program was relevant & appropriate
- ▶ 100% would recommend the conference to industry colleagues
- ▶ 82% of delegates learned about the conference through GTA or NWPGP
