

CELEBRATING

35
Years

Gala Dinner

Wednesday 28 October 2026

Four Seasons Hotel, Sydney

SPONSORSHIP PROSPECTUS

Welcome

For 35 years, Grain Trade Australia has supported efficient, transparent and trusted Australian grain trade.

Since 1991, GTA has worked alongside Members to provide the standards, frameworks and collaboration that underpin Australia's commercial grain industry across domestic and international markets.

From grain trading standards and contracts to dispute resolution, market access and professional development, GTA's role has always been guided by one principle:

Supporting industry to trade with confidence.

This milestone provides an opportunity to recognise:

- The foresight of those who established GTA (formerly NACMA)
- The ongoing contribution of members, committees and volunteers
- The collective role the industry plays in strengthening Australia's grain trade

To celebrate this important milestone, Grain Trade Australia will host the 35th Anniversary Gala Dinner at the Four Seasons Hotel Sydney on Wednesday, 28 October 2026.

The evening will bring together industry leaders, members, government representatives, stakeholders and long-standing supporters to celebrate the achievements of the Australian grain industry and acknowledge those who have contributed to its success.
